

Rev. Phil Miglioratti

National Facilitator of City & Community Ministries

Phil Miglioratti was born and raised in the city of Chicago, attending the North Side Gospel Center as a young boy where he was discipled and mentored into leadership through Sunday School teaching, Awana Youth Clubs and Christian camp ministry.

After graduating from Northeastern Illinois University with a degree to teach in secondary education, he (and his wife Carol) followed his long-time dream to serve the Lord in His Church by attending Trinity Evangelical Divinity School.

Phil's first full-time ministry was as the Director of Youth Ministries for the First Evangelical Covenant Church of Rockford, Illinois. Willow Creek Community Church, South Barrington, Illinois was his next step, serving as Minister of Family Life through which he began the Promiseland ministry to children, then in the movie theatre lobby. His first pastoring role was with The Woodfield Church in Schaumburg, Illinois, where he served for 19 years.

Following a passion to "connect people to God through corporate prayer," Phil moved into a full-time ministry of prayer. Called Prayer INC, that ministry has produced or partnered with:
